**NGUY VAN CONG - CEO**

**THACO SEAFOOD** was found by Mr. Nguy Van Cong, who has over 15 years experience in seafood industry and set up strong relationship & prestige with most seafood factories around Vietnam. Our products are processed at factories located in good raw material areas who have EU Code, HACCP, ISO, BRC... 70% our products are exported to Japan, the rest to Taiwan, EU, Colombia, Canada...

With excellent skill QC team who graduated from Fishery University and have strong experience in control seafood quality, our products are always under strictly control with very high quality to satisfy customers. We always send our QC to each packer to control everything related to product from raw material to final product to make sure that our product is processed under processing chart and customer's request.

**THACO SEAFOOD** is warmly welcome partners and willing to co-operate with your company as a trustful and efficiency partner.
